

THE 9th DECADE 2010 - 2019

Barry Caland, Robert Cumming and Brett Shewchuk made their marks during the decade. Randy Fossum and Tony Stokaluk shone in the Senior Divisions. The Masters Division was born in 2016 with Brian Mallon winning twice. Larry Sdao was a popular and well deserved Honoree on the 80th Anniversary in 2010. In 2013 the Britton family dedicated a bench to the memory of Ken and all who have been part of Strathcona and the Invitational in years past and it offered a place to “ Sit, Relax, and Remember “. In 2018, the Britton Bench became a permanent fixture throughout the year, being placed on the top end of the putting green and now honouring and remembering all Strathcona golfers.
